REF: WASH 22788

1. Forwarded under separate cover is a memorandum from [ ] giving the background of the three KMWahoo proposed for the Pine contact mission. These men are at present in QKDimple and it is planned to use them for this mission the first part of April.

2. As these men are thoroughly familiar with the area, they will be infiltrated into TPRoachland at a location of their own choosing and will make their way north to Identity (1) following the high mountain range extending north along the TPRoach- KMWahooland border.

3. Briefing and planning will naturally take into consideration possible TPRoach-backed efforts as stated in Reference, Para 2. The team will be carefully briefed and trained in order to present HTNeigh's position if necessary and unite Pinetree members as well as carrying instructions to them for their conduct during the coming summer operations.
